

ACCEPTANCE OF TERMS

This is a Website of Forex Early Warning. Use by you of Forex Early Warning's service, its subscription membership and any content material is subject to the following terms of service.

SUBSCRIPTION

These Terms of Service govern your use of our service. As used in these Terms of Service "Forex Early Warning service", "our service" or "the service" means the digital content service provided by Forex Early Warning for live forex trading data, trade plans, forex market push alerts and the Heatmap®. References to 'you' in these Terms of Service indicate the member who created the Forex Early Warning subscription account and whose payment method is charged.

The information contained within our service and the content supplied to you via your subscription is for educational purposes only, and is not designed, construed or believed in any manner to be Financial Advice. You hereby agree that all trading decisions you make are your own and reflect your own personal level of appropriate risks and trading skills. You also acknowledge and agree that you are aware of the risk parameters involved in trading. You further agree to accept full, complete and sole responsibility for your trading activity and performance. It is your sole responsibility to know and define the risk before trading.

Subscriber membership

Your subscription entitles you to access to the members section of the website www.forexearlywarning.com where are trading tools such as the Heatmap® and trade plans are featured.

To use the Forex Early Warning membership service you must have Internet access and a browser, and sign up and create an account with PayWhirl via our website. Here you will need to provide one or more Payment Methods.

Our acceptance of your subscription order request will begin once you receive confirmation of your payment alongside your login credentials email. This is sent directly from our American partners MT2 Enterprises LLC, admin@forexearlywarning.com

By entering the customer portal and adding your details such as your mobile number you are giving permission for your mobile number to be added to our Telegram group in order for you to receive mobile forex alerts.

Your Forex Early Warning subscription will continue until terminated. Unless you cancel your subscription before your billing date, you authorise us to charge the subscription fee for the next billing cycle to your Payment Method (see "Cancellation" below).

The subscription fee for the Forex Early Warning service will be charged to your Payment Method on the specific payment date indicated within your PayWhirl account. This is completed automatically so it is important to make note on the day you first subscribe with us, as this will be your monthly billing date thereafter.

To use Forex Early Warning's services, you must provide one or more Payment Methods via PayWhirl. You authorize PayWhirl to charge any Payment Method associated to your account in case your primary Payment Method is declined or no longer available to us for payment of your subscription fee. You remain responsible for any uncollected amounts. If a payment is not successfully settled, due to expiration, insufficient funds, or otherwise, and you do not cancel your account, we may suspend your access to the service until we have successfully charged a valid Payment Method.

For some Payment Methods, the issuer may charge you certain fees, such as foreign transaction fees or other fees relating to the processing of your Payment Method. Local tax charges may vary depending on the Payment Method used. Check with your Payment Method service provider for details.

You can update your Payment Methods via your PayWhirl account. Following any update, you authorize us to continue to charge the applicable Payment Method(s).

You can cancel your Forex Early Warning subscription at any time, however your subscription will be cancelled with immediate effect, to maximise your subscription we advise cancelling once day before your scheduled payment date, to make use throughout your payment period. Payments are non-refundable and we do not provide refunds or credits for any partial membership periods or unused subscription.

To cancel, go to your PayWhirl registered account and follow the instructions for cancellation.

We may change our subscription plans and the price of our service from time to time. We will notify you at least one month before any price changes or changes to your

subscription plan will become effective. If you do not wish to accept the price change or change to your subscription plan, you can cancel your membership before the change takes effect.

FOREX EARLY WARNING SERVICE

You must be at least 18 years of age to become a member of the Forex Early Warning service.

The Forex Early Warning service and any content accessed through the service are for your personal and non-commercial use only and may not be shared with others.

Except as explicitly authorized by us, you agree not to:

- (i) archive, reproduce, distribute, modify, display, perform, publish, license, create derivative works from, offer for sale, or use content and information contained on or obtained from or through the Forex Early Warning;
- (ii) circumvent, remove, alter, deactivate, degrade, block, obscure or thwart any of the content protections of Forex Early Warning's service, including the copyright notices, and trademarks;
- (iii) use any robot, spider, scraper or other automated means to access the Forex Early Warning service;
- (iv) decompile, reverse engineer or disassemble any software or other products or processes accessible through the Forex Early Warning service;
- (v) insert any code or product or manipulate the content of the Forex Early Warning service in any way;
- (vi) use any data mining, data gathering or extraction method;
- (vii) upload, post, e-mail or otherwise send or transmit any material designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment associated with the Forex Early Warning service, including any software viruses or any other computer code, files or programs

We may terminate or restrict your use of our service if you violate these Terms of Use or are engaged in illegal or fraudulent use of the service.

The Forex Early Warning Heatmap® is developed by, or for, Forex Early Warning and may solely be used for personal subscription membership services.

If our supply of the services or digital content is delayed by an event outside of our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay.

If you cannot access our digital content, it will be your responsibility to contact us and to inform of us of this issue, at which point we will investigate any issues within our services, we may take up to 48 hours to respond to enquires via email (excluding weekends/bank holidays).

Passwords and account Access

Your password is for your personal use only and should be kept confidential. It is strictly prohibited to allow others to access the account (which includes access to information on viewing activity for the account), if we have reason to believe you are sharing your account details with other non-subscribers we reserve the right to terminate your subscription with no notice or explanation.

To help maintain control over the account and to prevent any unauthorized users from accessing the account, you should maintain control over the devices that are used to access the service and not reveal the password or details of the Payment Method associated with the account to anyone. You agree to provide and maintain accurate information relating to your account, including a valid email address so we can send you account related notices.

We can terminate your account or place your account on hold in order to protect you, or our partners from identity theft or other fraudulent activity.

Miscellaneous

Our customer support is available via hello@forexearlywarning.co for management of your subscription account, this is managed via your PayWhirl account.

If any provision or provisions of these Terms of Service shall be held to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall remain in full force and effect.
